The Data Protection Act 1998 – Important Information

Before signing this application form, it is important that you read the notes below which set out how we collect and use information about you for the purpose of providing credit facilities. By signing this application you agree that for the purpose of processing your application, Higher Access may:

- i) Carry out credit checks with credit reference agencies who may retain records of such checks and which may be used (where permitted by applicable law) by other organisations in assessing applications for credit and for preventing fraud and chasing debtors. We may also make enquiries about the principal directors with a credit reference agency.
- ii) Use various statistical methods to evaluate your credit worthiness in deciding whether to offer credit facilities to you.
- iii) Monitor and record information relating to your trade performance and such records may be made available to credit reference agencies who will share that information with other businesses in assessing applications for credit and fraud prevention.

I/We _____ (print name) hereby request the use of credit facilities.

I/We accept the terms and conditions applied for the hiring of plant and agree to be bound by these. I/We understand and accept as the basis for trading the terms and conditions of 30 days from date of invoice and that you shall reserve the right, without prejudice to any other remedies, to recover the goods when any sum due remains unpaid. In the event that we do not adhere to your terms of trade, details of our payment performance may be passed to a licensed credit reference agency.
